

## ROCK CANDY CUTTER — RCC01

**ROCK CANDY CUTTERS DESIGNED FOR CANDY MANUFACTURERS. ADJUSTABLE LENGTH, HIGH THROUGHPUT, AND EFFORTLESS CUTS FOR UNIFORM CANDY BARS.**

The Loynds Rock Candy Cutters are the go-to tool for professional candy manufacturers who need to cut candy poles—also known as “Rock”—into uniform bars. These cutters are designed for efficiency, and speed, making them a valuable tool for those in the candy manufacturing industry.

Whether you're working with candy poles or round bars, our rock candy cutters ensure that every bar is cut to a consistent length, enhancing your production efficiency and ensuring product uniformity.

### FEATURES

- **Uniform Cuts:** Cut candy into uniform bars with ease, ensuring each piece is perfectly sized. Ideal for crafting perfect rock lollies.
- **Adjustable Length:** Easily set your desired candy length with the integrated measuring bar which includes 10mm measuring grooves for setting your cut length. Ergonomic design for comfortable, prolonged use.
- **High Production Capacity:** Skilled operators can process thousands of bars efficiently, increasing your production throughput.
- **Measuring Bars:** 2 lengths available (400mm & 600mm) complete with 1cm notches for measuring your bar length

### OPTIONAL EXTRAS

- Through our sister company [www.Yolli.com](http://www.Yolli.com), we can also supply twist wrapping sheets cut to your preferred size for wrapping candy poles.
